

Interlake-Eastern
Regional Health Authority

Palliative Care

Volunteer Training Course

Increase awareness and develop skills for interacting with individuals and their families whose disease does not respond to curative treatment. Eight modules that are approximately 2 hours in length cover topics such as:

- * Introduction to palliative care
- * The palliative care volunteer's role
- * Responding to loss and grief
- * Death and dying

'Hope does not lie in a way out but in a way through'

-Robert Frost-

Eriksdale

Tuesdays and Thursdays, 12:30 to 2:30

Beginning Sept. 12, 2017
