Emergency Department Wait Time Reduction Task Force

About the Wait Time Reduction Task Force

The Manitoba government has established a Wait Time Reduction Task Force, to examine and address waits for emergency care and priority procedures such as surgeries and diagnostic tests. The committee members include healthcare providers and members of the public. Committee members are consulting with the public to hear their concerns and ideas for innovation and improvements.

Have your voice heard and share your ideas about how to improve access to Emergency Department care.

Date: Wednesday, May 10, 2017

Time: 6:30 – 8:30 P.M.

Where: Gordon Howard Senior Centre
384 Eveline Street
