The general time reference used for the time-limited zones on this map is Monday to Friday 09:00 to 17:30 (9 am to 5:30 pm). At other times, these zones have unlimited parking unless posted otherwise (for example in loading zones, bus stops, Portage Ave rush hour restrictions, etc.).

Please review street signs to confirm parking restrictions wherever you park. If there is a conflict between this information and the street signage, the street signage should be followed.
